Dear Mrs. Manley:-

Regarding the base ball situation your set up with the Company will be same as always except for new price of balls over which we have no jurisdiction since the increase has been made universal.

The W-150 CC Ball is selling @ \$18.00 dozen. Your League purchases 2 dozen and secures one dozen free. In other words your cost of \$36.00 for 2 dozen and one dozen free will make the net equal to \$12.00 per dozen. which is not bad in these times. We will naturally send you the balls on an open account as in the past simply mail your order to me. also please let me know what you have decided on uniforms & Coats. Sincerely
R.M. (Bob Rose)

P.S. Please advise meeting date & place.
